11. Answers will vary but should explain the following: *taxation without representation means that a government makes people pay taxes without allowing those people a voice in the government. This was important to the revolution because the colonists were angered by the taxes King George made them pay. These taxes led to the war.*
12. Answers will vary but should state something similar to the following: *Paul Revere never actually rode from Boston to Concord warning that the British were coming. British soldiers captured Revere, and another person rode to Concord to warn the colonial militia.*
